For Artists • [www.elementari.io](http://www.elementari.io)

Elementari is an online platform that connects artists with writers of all ages to create, share, and remix interactive stories.

Stories published automatically credit, notify, and promote the artists whose illustrations and music have been used.

## Get Rewarded

Access in depth analytics on how people interact with your art. Level up and gain privileges.

Elementari Partners benefit from profit-sharing and PR support.

## Protect your artwork

Keep your copyright. Get automatically credited. Maintain full control of your art.

All your art stays on Elementari and cannot be downloaded. Writers can only use your art on Elementari.

Our Mission: Promote arts and literacy in an engaging and collaborative way.

## Gain exposure

Your art can be used by everyone, even kids, opening up a whole new market for your illustrations.

Readers can discover you through a story's credits page or by long tapping an object or background to see the artist.

3

## Inspire stories

Every story published is a collaboration between a writer and various illustrators and composers around the world.

Get credited and notified each time someone uses your art in a story.
